
Programme Pathway #3

1-year cycle over 3 terms

This Programme Pathway delivers the full programme over 3 terms every year. This means that the full learning stages are run twice (eg the full KS1 programme is run with Year 1 and then repeated with Year 2). **This is our recommended pathway.**

Why repeat the programme?

- Children change and grow; their level of engagement will increase as they develop their social, moral, cultural and spiritual awareness and understanding.
- The learning will be embedded as children build upon what they have previously learned – a truly spiral curriculum.
- Some sessions can be omitted one year if the school feel that children are not quite ready, or they have surpassed that stage of learning; similarly, particular focus can be given to certain topics if it is felt that is needed.

Differentiation

This Programme Pathway requires class teachers to plan lessons a little more carefully by ensuring that the content is age-appropriate and that it is differentiated from previous learning. Here, our Suggested Extended Activities will be particularly helpful to class teachers who can plan and deliver original sessions using the resources provided in the programme. Children will be happy to return to the same video content that they saw in the previous year.

Note:

- **For each Unit**, please allow 15 minutes at the start and 15 minutes at the end to complete the **Assessment Activities**.
- Please allocate additional time for **guided prayers** and **song time**.
- Suggestions for further follow-up activities and sessions are provided for each session.
- See each individual session page on the website for suggested Extended Activities.
- Please allow space within each half-term for occasional sessions to run across two lessons. Each half-term usually contains about 4 lessons, so there is space to do this.
